## **SYNTEC ULTRA V**

**Advanced, Full Synthetic Engine Oil**

- *Full Synthetic, long life petrol and diesel, energy conserving engine oil designed for the VAG group of vehicles (Volkswagen, Audi, Skoda, SEAT) for VW engines.*
- *This low viscosity performance, enhanced by low phosphorus and sulphur formulation (Low SAPS).*
- *Contains reduced levels of metals, phosphorus and sulphur, to maximize the life of sensitive catalysts in catalytic converters and reduces the plugging rate of diesel particulate filters.*
- *Conforms to European IV emission standards.*
- *Provides the highest level of protection from combustion deposits, heat induced oil oxidation and sludge deposits.*
- *Specifically for VW vehicles but is also suitable for all late model passenger cars especially those fitted with naturally aspirated and turbocharged gasoline and diesel engines in light trucks.*
