

PRECISION LUBRICANTS

ECO ChainBar Fluid

SPECIALIST LUBRICANTS

Biodegradable, Synthetic Performance.

- *Readily biodegradable, nontoxic*
- *Excellent lubricity and temperature stability provide smooth mechanical performance and superior anti wear protection*
- *Advanced rust and corrosion protection*
- *Extra tackiness minimizes sling loss*
- *Suitable for all types of chainsaws where loss of fluid is unacceptable to the surrounding environment*
- *Base oil characteristics give good service life under normal conditions and protect working surfaces from wear*
