

Ultra 9000 15W-40

Advanced, Heavy-Duty 'Universal' Diesel Engine Oil

Ultra 9000 is a premium CJ-4 diesel engine oil for greater lubricant life and protection of all moving parts from wear and soot damage.

Ultra 9000 is a heavy-duty diesel engine oil that meets the requirements of high speed, turbocharged European, American and Japanese design emission engines. This includes those engines which incorporate an Exhaust Gas Recycling (EGR) and Diesel Particulate Filters (DPF) and full electronic management of fuel and emissions systems to provide fuel efficiency, high wear protection, long drain capability and optimisation of the EGR system life thereby decreasing the maintenance costs.

Summary of Benefits:

- Reduced operating costs
- Has exceptional soot dispersion and wear control. Cylinders, pistons, rings, and injectors are well protected against wear and corrosion
- Extends Diesel Particulate Filter (DPF) life for less frequent downtime and cleaning
- Optimises the Exhaust Gas Recycling (EGR) system life decreasing your maintenance costs
- Reduced inventory costs

Specifications:

- API: CJ-4/ CI-4 +/CI-4, SN/CF
- SAE Viscosity: 15W-40
- ACEA: E9 - 08
- Global DHD -1
- Volvo: VDS-4
- Mack: EO-O Premium Plus 07
- Cummins: CES 20081
- Detroit: DDC Power Guard 93K218
- Caterpillar: ECF-3
- JASO: DH-1,2
- MAN 3275
- Mercedes Benz: MB 228.31
- MTU: Type 2.1
- Renault: RL3
- Deutz: DQC 111-05

Product Code: 2003

Product Size: 1L, 5L, 10L, 20L, 205L
